HEAD ABOVE THE REST

Dear PURELY 18,

Each and every issue of your magazine seems to get better and better. But your latest opus was, by far, the hottest ever. And there's one main reason for that. Of course, I'm talking about CeCe. Obviously, all your young girls are beautiful, but what set CeCe apart was her skill. Her skill at cocksucking, of course!

Viewing her wrap her ruby-red lips around her boyfriend's cock and suck like an experienced fellatrix blew me away (pun intended). It made me think back to Reba, my first girlfriend. Like CeCe, she was beautiful, plus she gave great head for a young chick. I'd like to know if there are any videos of CeCe going down on guys. I would max out my AmEx to buy them all if that's the case. Let me know and keep up the great work.

Timothy M.
Valley Forge, PA

(Thanks for the kind words, Tim. We agree that CeCe certainly looks like she gives great head. Unfortunately, we don't know if she's made any videos; like you, we'd certainly be interested in checking them out. If we hear of any, we'll pass long the word to our readers.)

MAKING A JERK (OFF) OF HIMSELF

Dear PURELY 18,

I don't normally buy "skin" books. But I was at a buddy's house and leafed through a copy of what I assume was your latest issue. When I came to the layout featuring Christa, I was stopped dead in my tracks. Since he had left the room for a minute, taking the magazine, I ran into the bathroom. Checking out the pictures more closely, I beheld the most naturally gorgeous 18-year-old I ever laid eyes on.

Needless to say, I had no choice but to jerk-off to Christa's photos right there in my friend's bathroom. I came quickly, then managed to run back out and compose myself before my bud returned. As soon as I left his place, I ran to my local newsstand and bought my own copy. Then I spent most of the night pounding my pud to Christa. Please, feature her again and you'll have a lifetime subscriber.

Aaron T.
Amarillo, TX

(Aaron, you certainly have good taste. Christa was definitely one of the prettiest girls we've ever featured. We can't promise anything, but we'll try to have her back for a repeat performance.)

HOPE THRU PORN

Dear PURELY 18,

It's not often that a porno book gives me hope in life, but after checking out your last issue, that's exactly what I have. When I came upon Lindsey and saw her tight, young pussy being able to handle a huge dildo, I knew I might still be able to find true love.

Let me explain. Not one to brag, but I have a huge cock. When hard, it's about 11 inches and that's no bullshit! I'm 22, horny as hell, but single. Every time I connect with a chick, as soon as we get to the bedroom and she sees my massive member, she gets scared away. Even the few chicks who tried to take me couldn't. But if I could meet Lindsey, I think she's the one for me. Can you guys set something up? You'd help save my life. Thanks.

Lindsey

Chris A.
Newport News, VA

(Chris, we never knew being well-hung was a bad thing. Hell, guess we're lucky to be on the small side? As to your request, while we can pass along your plea to Lindsey, we don't know if she'll be able to accommodate you (in more ways than one). But we're sure you'll eventually find a woman who can handle you. Good luck.)

(Zac, thank you for the kudos. We're so happy that we led to your super-erotic experience. Keep on reading and we're sure you'll get more wild ideas to share with your girlfriend. Let us know of any other escapades you two share.)

Lotus

OPENING UP ABOUT LOTUS

Dear PURELY 18,

I can't think of a more aptly named model than Lotus in your most recent edition. Her perfect pussy opened up like a lotus blossom and bloomed in ripe pinkness before your readers' eyes. Plus, for such an in-shape young girl, she had a bountiful ass which would give J Lo a run for her money.

Can you tell me if Lotus has a boyfriend? If not, I would like to apply for the position. I'm a successful businessman and would be able to provide her a most comfortable life. Plus, she could still pose because I wouldn't want to deprive the world of such incredible perfection.

Bentley D.
San Fernando, CA

(We're sure that Lotus appreciates your compliments, Bentley. Sorry, but we can't give out personal information about our models. But we have a feeling that Lotus has more than a few suitors waiting on line for her attention. But we do agree that she is quite the blossoming beauty.)

DOUBLE PLEASURE

Dear PURELY 18,

There are skin books—and then there are skin books! *Purely 18* never fails to blow me away. I have collected most of your issues, but one of the layouts in your latest opus was, by far, the hottest spread I've seen in a porn mag. Of course, I'm talking about Renee, Elaine and Nick. Whew! To view that one lucky dude fuck those two super-cute, petite, young hotties was an incredible experience. But it was much more than that.

I couldn't get those pictures out of my mind. So I decided to beg my girlfriend, Christine, to hook up with Becky, a good friend. After a little—very little—arm-twisting, she agreed. Naturally, I assumed I would be part of the action. Christine, though, let her jealousy win out and made me agree to only watch. Let me tell you, even though I couldn't participate, watching my chick and her cute bud get it on while I jacked-off was the most intense experience of my life. And I have you guys to thank. So, thanks, and keep up the great work!

Franziska

GIRL OF HIS DREAMS

Dear PURELY 18,

Lots of so-called "young girl" books include not-so-young girls in their contents. I don't know if they think we're stupid, or just don't care. Not your fine publication. Each and every pictorial in each and every issue delivers the goods—girls who've just turned legal letting it all hang out. Last issue was an all-time winner when you showcased Fransiska. This girl-next-door looked so wholesome, yet posed so nasty.

I literally can't stop fantasizing about her. My dick is almost raw from whacking to her shots so much. I'm going to make a strange request. Would it be possible to print a whole issue devoted to Franziska? I'm sure 100 pages of steamy pictures of this dreamy blonde would be a best-seller. Hope you consider my suggestion.

Drake E.
Monroe, LA

(While we take all reader suggestions very seriously, Drake, we don't think we can devote an entire issue to one model. Just think, if every reader wanted to see nothing but his favorite chick, there wouldn't be enough trees in the forest to make the paper to print the issues (or something like that). We will, however, try to feature Franziska again to make you happy.)

Gina

BIG BOOBED BEAUTY!

It's not easy being an only child. I feel as if I've always been on display, having to please Mom and Dad in return for all their attention. Yes, I'm spoiled and I don't mind admitting it. They always gave me everything I wanted. But when I wanted to go out of state to college, they put the kibosh on it. I think they couldn't bear to see their one child leave the nest.

I was pissed-off. But I've taken my revenge. Though I'm attending a local college and still living at home, I've become the town's "bad girl." I've already been caught fucking older men in public, much to my parents' mortification. Now they've just found out that I posed nude for a "dating" website. They're furious. I don't think it will be too long before they ship me out of town on a silver platter. My transfer request is at the ready. But I sort of like my new lifestyle. I just might continue being this loose at my next school. Sorry, Mom and Dad.

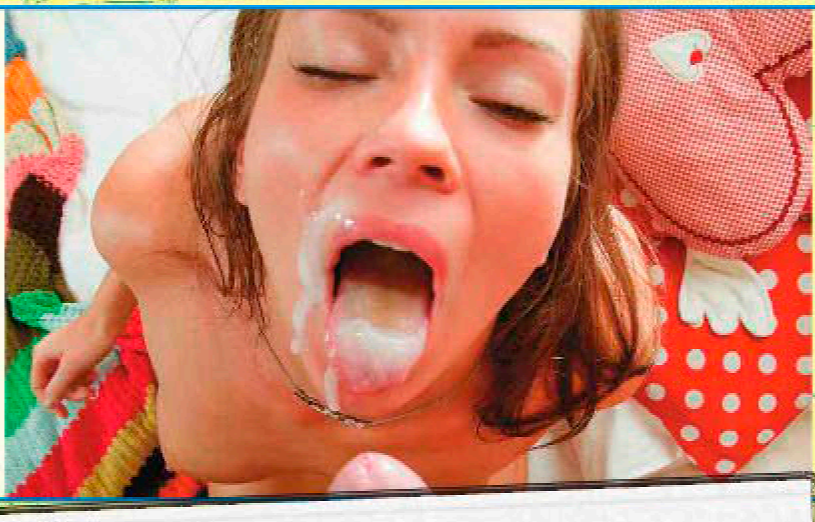
A Young Girl's Diary

A shy college coed decides it's time to become a big girl and get her pussy pounded!



33200

Dear Diary,

I have to confess, I was totally overwhelmed when I first got to college, and was pretty surprised to feel that way. I arrived at school full of determination (I thought), but it didn't take me long to feel intimidated more than anything else. I was intimidated by how smart everybody was, and I couldn't stop comparing myself to all the other girls and how beautiful and sure of themselves they were! So, it was just a matter of days that I totally retreated to the only place I ever felt comfortable whenever I was tense—right into my pussy. Masturbation was my go-to happy place.

I had a roommate, Sasha, so I had to be sure to play with myself when she wasn't around, which was hard at first, so I only did it at night, after we had both gone to bed. Luckily, the room was divided into two halves, with a closet in the middle, so I had some privacy, but even so, when I was lying there in my bed with my hand in my pajama bottoms and rubbing my clit, I had to be pretty quiet and not make any noise when I hit the peak of my pleasure.

During the day, I had great plans that I was going to be not just a top student at college but a social success!!! What was I thinking?!

See, I was always kind of a nerd in high school and spent more time studying than anything else. Sasha, on the other hand, was gorgeous and smart, and immediately started to attract attention from the opposite sex. In what seemed like two seconds flat, she hooked up with a junior named Quentin. She began to sleep over at his dorm (he was lucky enough to have a single she told me). They had all the privacy in the world so he could put his cock into her pussy whenever the mood struck them, and it struck them a lot.

She liked to tell me about it, too. Bragging is more like it. She'd come back to our room every once in awhile and tell me in full detail about how Quentin stuffed her pussy with his cock. The way Sasha phrased things only drove me to masturbate even more! No sooner would she leave me alone in our room to meet up for another fuck session with Quentin than I'd lock the door and get down on the floor. There I was, rubbing my nipples with one hand while I spread my thighs and imagined that was me, not Sasha, whom Quentin was screwing every which way and loose, fucking me like the total inner slut I really was.

Well, it all came to a head last night when Sasha was supposed to be over at Quentin's. Feeling overly anxious for a change (what else was new?), I locked the door of our dorm room and got myself totally naked and sat down by the computer. You see, I must confess, I'm a terrible filthy girl, in private anyway, and with one hand on my laptop and one hand on my puss, I trawl the web for any and all free X-rated sites I can find to get off to. There I was watching a huge dick doing wonderful things to a girl's butthole (oh how I envy those porn stars their slutty freedoms) when who comes knocking on the door but Quentin looking for Sasha!

I told you I had fantasies of Quentin doing me, so I opened the door, naked, and his eyes almost bulged when he saw me. He started to tell me how he and Sasha had had a fight and how he had come looking for her, when I cut him off in mid-sentence and pulled him into the room before anybody could see us. I pulled Quentin right over to my bed, French-kissing him as we went.

He protested for a millisecond, while I jumped up, realizing I hadn't locked the door. After pressing the lock in the handle and hooking my desk chair underneath the door, I came back to Quentin via the floor—meaning, I crawled over to him, naked, my breasts swaying, just like I had in a million fantasies. I unzipped his pants and took out his cock. OMG, it was as big as Sasha had described! As I held Quentin's veiny inches in both of my hands, I slowly slid my face down onto his meat. It felt so slutty and good!

Quentin moaned as my tongue swirled over his cock. I moved my tongue down, down, down to his balls. Before I knew it, my bed was our final destination, with me squatting over his cock, while he pressed his face into my breasts, sucking on my nips, lighting a fire in my cunt. I rode his pole like a pro, moving my pussy up and down. His prick was so hard. I shoved my wetness up and down on the shaft and all around. I'm not gonna lie. It was soooo good! No wonder Sasha couldn't stop fucking him!

I gasped, calling out his name and then quickly muffling the sound with the back of my hand as I felt myself explode. Quentin cried out something totally unintelligible, and I was going to shush him, but I felt too good and too mind-blown by the feeling of his cream squirting out on my butt when he pulled out, as my whole body shook in orgasm.

We slumped next to each other. We lay there for a long moment, both of us realizing that we made excellent sex partners. There and then we decided we were meant to be fuck buddies.

Now, Dear Diary, I just have to cum (LOL) clean to poor Sasha. Wish me luck! But ya know what? If it means losing a roommate for the best sex I've ever known, well, I am so ready to take that chance! Stay tuned…

TOO BIG FOR TEENS 9 **Reality Junkies**

31828

Starring: Jessie Rogers, Mae Meyers, Sensi Pearl, Stevie Shea, April O'Neil. Director: Bobby Manilla

Jessie's brother and his buddy are watching wrestling. When Jessie wants to learn the moves, her bro's buddy is glad to pin her—in more ways than one. Mae has a bad attitude, so her parents sign her up for a program to learn from convicts. She learns all about the Big House, and other big things, as well. It's "Bring Your Daughter To Work" day, and Sensi is happy to learn all about big business from one of her dad's employees. Stevie is a rich girl looking for some real fun in gangland, so she goes out of her way to prove to the gang leader that she can handle all and any action. April loves toying with poor blue-collar men. She invites the trash man inside to tease him, but he ends up teasing her with his manly muscle. TBFT 9 smut junkies will really get off on April O'Neil's scene with legendary cocksman Lee "Big Bent Dick" Stone. The shapely brunette does an amazing job talking shit to the well-hung waste collector, before Stone stoically silences her by shoving his long-pipe into her filthy mouth. After that, all the trash-talking starlet can muster is "That's HUGE!", constantly commenting on the size of Lee's beef. Hugh, maybe, but it not long before April is taking Stone's pole deep into her carnal chasm. The Sanman literally picks his smart-talking bitch up and impales her on his cock, fucking the shit of her until her body explodes in orgasm. But our tripoded Toto Tipper isn't done yet. He goes on to plow the pretty gutter mouth in cowgirl, reverse cowgirl, and then doggie before unleashing white refuse all over April's beaming face. Job well done, if you ask us!

LESBIAN BEAUTIES 10 Latinas

Sweetheart Video

33666

Starring: Raven Rockette, Vicki Chase, Ava Alvarez, Missy Martinez, Kristina Rose, Tia Cyrus.
Director: Dana Vespoli

In this sizzling installment of the popular Lesbian Beauties series, eight beautiful Latin girls heat up four vignettes with passionate, lesbian sex. Vicky Chase tries to get Raven Rockette in trouble with their boss, only to find that Raven is incredibly feisty and spicy in the sack! Recently dumped Ava Alvares gets a makeover from bartender Missy Martinez, who shows her how to make some signature new drinks by mixing in a few sexy tricks. Stripper Lola Foxx seeks guidance from her idol, Raylene, but discovers that her friend has more than just some advice to give her former colleague. Last but not least, uptight sorority sister Tia Cyrus gets more than she bargained for when she confronts her hard-partying enemy Kristina Rose about her smoking. The confrontation leads to a four-alarm fire in both girls' pants. Clearly if you as us the vignette featuring Raven Rockette and Vicki Chase is the clear-cut winner here. When these carnal co-workers collide, eating pussy and squeezing out O's is the marching orders for the day. The two consummate their lust for each other back at Vicki's apartment with Chase working over Raven's breasts before targeting her chum's furry lower region. Dining on her pussy while squeezing her boobs, Raven whimpers as she cums for the first time. The gals then go puss-to-puss, grinding and then bucking in corporate ecstasy. Before long it's Raven's turn to orally reciprocate. Chase rubs her clit while Raven licks her pal's sensitive balloon knot before feverishly fingering her anal assistant into Nirvana. The dynamic duo slide into a perfect sixty-nine before the two explode wracked with body-shaking climaxes.

THE MASSEUSE VOL. 5

Sweet Sinner

33667

Starring: Natalia Star, Kendra Lust, Riley Reid, Marcus London, Richie Calhoun, Evan Stone, James Deen.
Director: James Avalon

Kendra Lust runs a high-end massage parlor that caters to more than just a good sports rubdown. Happy endings abound for a few select customers. But when her top employee quits, Kendra scrambles to find a young, handsome masseur to cater to her wealthy female clients. The Masseuse 5 may center on finding the perfect female replacement to dish out oodles of pleasure, but the madam really needn't look any further than herself. Yes, Riley Reid and Natalie Star look amazingly young and can certainly suck a good dick, but when it comes to throwing the proverbial kitchen stink at a client no body does it better than Ms. Lust. Taking one client literally into her own hands Lust capably strokes off her male client, letting him fuck her sizeable tits, before allowing him to observe the deep recesses of her throat. Lust's exceptional sloppy, wet blowjob had us drooling, but when she jumps on top and gamely bounces on her customer's cock, it's time to pull multiple tissues to contain your load. Kendra selflessly rides his 10-inch tool to multiple cum spasms before letting the panting patron explode on her pretty face.

GIRLS KISSING GIRLS Vol. 12

Sweetheart Video

33665

Starring: Yan Keely, Jessie Andrews, Anikka Albrite, Celeste Sstar, Aiden Ashley, Dana Vespoli, Alyssa Reece, Sovereign Syre. Director: Dana Vespoli

In this latest installment of Sweetheart Video's critically acclaimed series, the passion continues to mount as girls seduce other girls into long, sensual kisses which lead to the hot, intense sex for which this series is recognized. Art dealer Aiden Ashley must contend with temperamental artist Dana Vespoli, who refuses to compromise her vision for commerce, thus resulting in a compromising situation. Conservative author Alyssa Reece comes face-to-face with feminist author Sovereign Syre just before both girls are to appear on a talk show, leading to a battle of words and tongues. Makeup artist Jessie Andrews nervously applies makeup to the face of her idol, actress Ryan Keely, only to discover the actress has powerful sexual feelings for her. Finally, Celeste Star finds out that her new roommate, Anikka Albrite, has a penchant for going through her things when she's not home. Let's just say that things get exceedingly kinkier from there. And, yes, it's this finale scene that gets the high grade. When Anikka Albrite moves into college alum Celeste Star's massive abode the pair immediately hit it off, so much so that Anikka finds herself completely and totally obsessed with her bunkmate. Matter of fact, Anikka's obsession with Star grows to the point that she begins to secretly sniffing her undies. Fortunately for Albrite, Celeste comes home to catch her big-assed bedfellow aromaly engaged in her unmentionables. One thing leads to another before the pair is feasting on each other's flesh. The two sexy stars sample each other's breasts before ravenously licking and concentrating on what's between their legs. Celeste quickly moves down between Anikka's parted thighs and dines deliciously at the "Y". When it's time for Albrite to return the favor, she begins by sucking on her roomie's toes and then pussy before also feeding on her sweet bunghole. After getting the brunette beauty off, the two grind away cunt-to-cunt before transitioning into a piledriver that puts Anikka over the edge and deep into the valley of multiple orgasms.

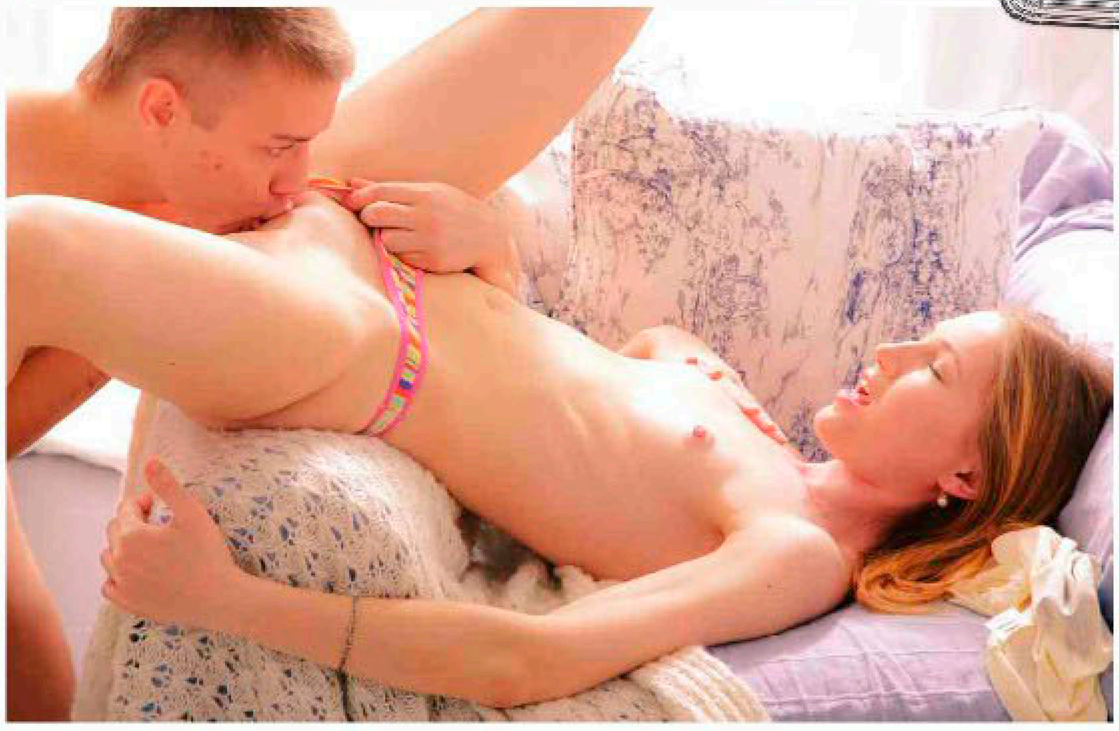
SPRING FEVER



Nick and I decided to stay on campus instead of heading out with our dormies to the beach. But, hey don't get me wrong I love spring break! The dorms were deserted and it was my chance to get Nick really alone. I pretended to be reading while he pretended to be fucking around on his phone. Well it didn't take long for us to both drop the charade and get down to what we both had been lusting for!Nick finally shoved his throbbing rod deep inside me. "Just fill me up!" I moaned, and before I could spread my legs all the way, I got my first full stuffing of Nick-meat. Before I came he pulled out and ate my pussy…this was the first time a guy had done that to me! We went at it for what seemed like hours, until I gushed with girl goo and I got a mouth full of Nick's cum!

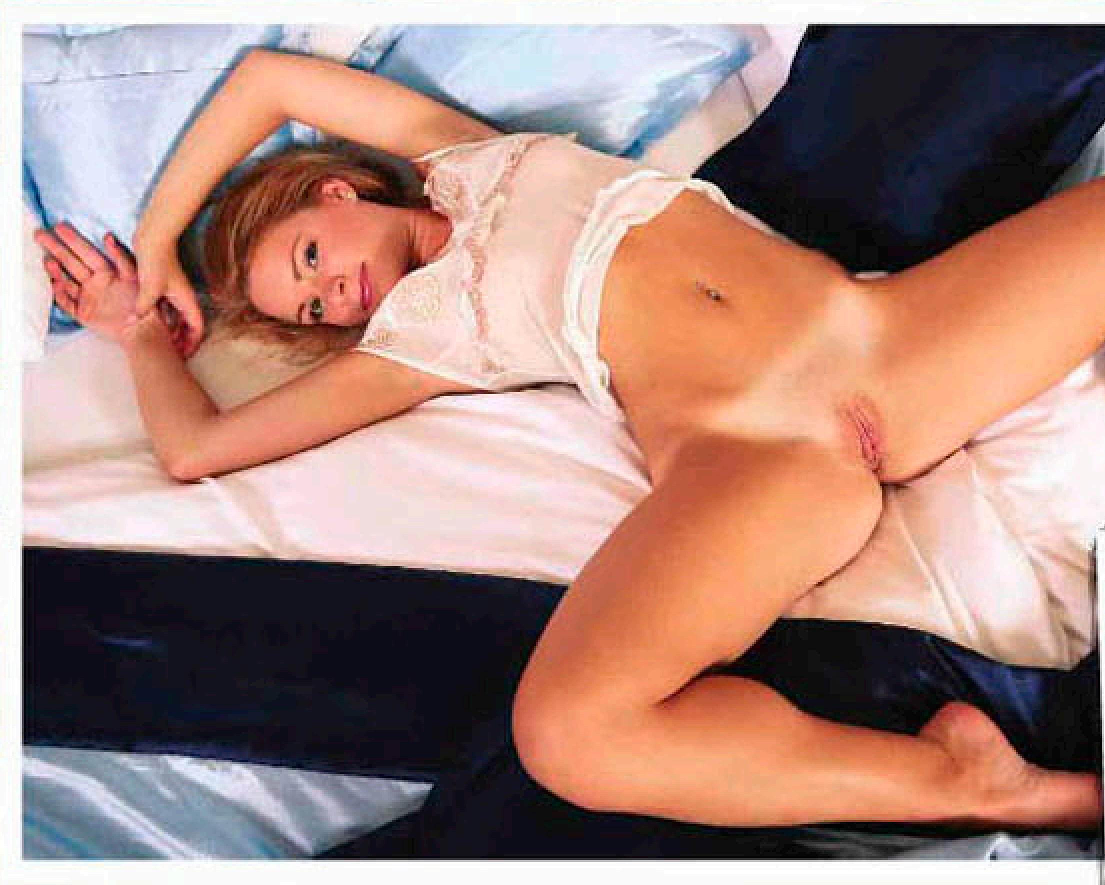
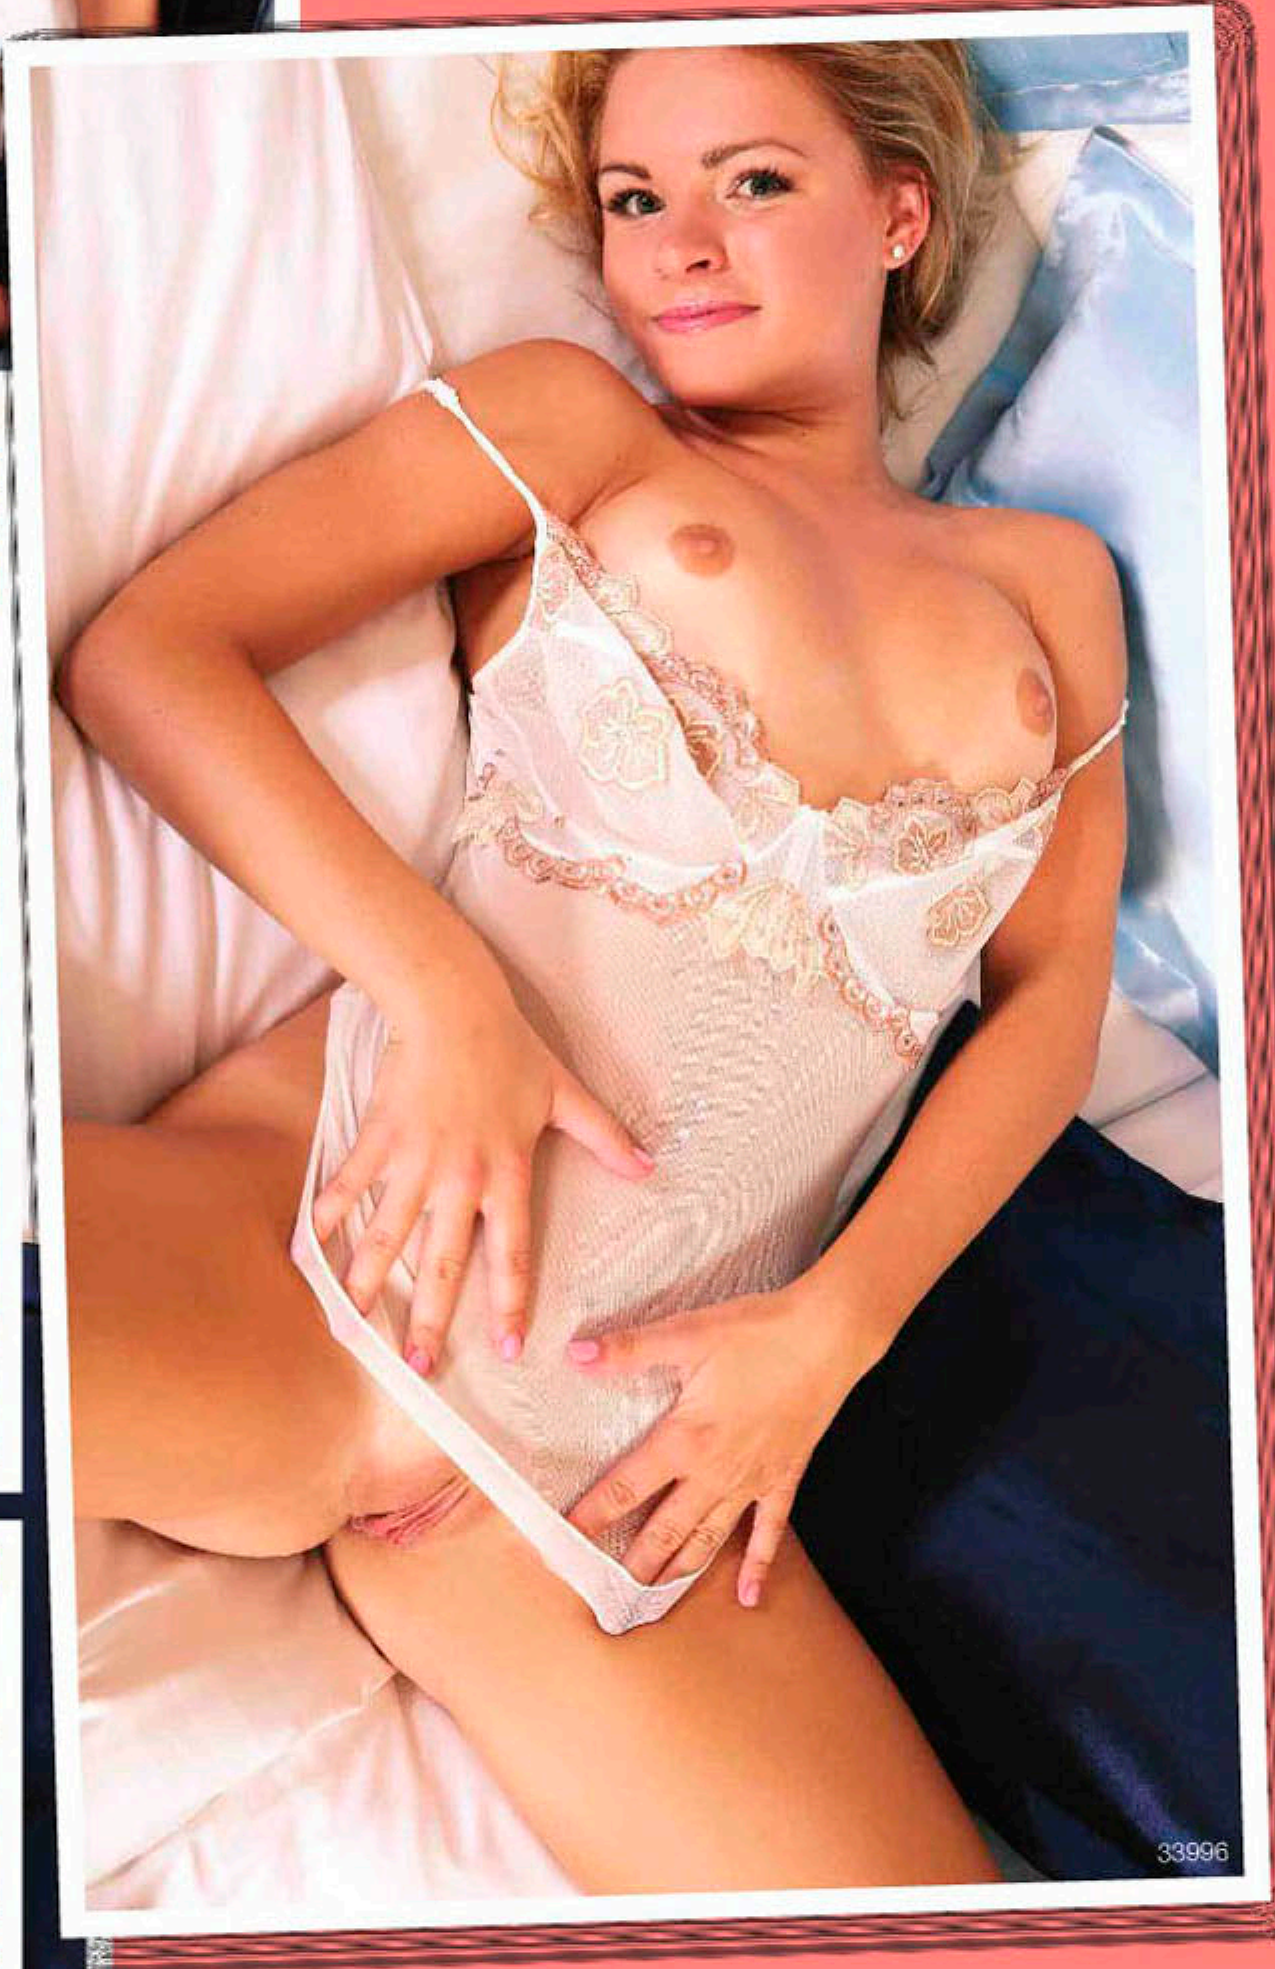
Malinda

Angel Faced Cutie!





There are so many pretty young blonde chicks these days. Let's face it, we're talking a dime a dozen. But I want to be different, to have my own niche. So I'm pursuing a career in fashion modeling. I want to be that next supermodel, with my face plastered everywhere. Naturally, there's loads of competition. All those other blonde wannabees are just as hopeful.

What sets me apart? Let's just say in the modeling business, you have to be willing to go that extra mile. Hell, yeah, I'll use my body to get what I want. It's perfect, so why shouldn't I flaunt it? If I fuck a well-known photographer here and there, what's the problem? It will help get me where I'm going faster. A little pussy goes a long way—right to the top of the modeling world!

Molly Bennett

INTERVIEW WITH A TEEN PORN STAR

Molly Bennett is a cute as a button sexual vixen that can suck a cock with as much enthusiasm as she can a lollipop. And her reward for giving great head is always a face full of milky white cum which, as Molly tells *Purely 18*, she loves it when it has a bit of tanginess to it. Molly Bennett is an amazing performer with a pretty baby-face that has earned her plenty of raincoater fans who boner up every time her small, skinny soft body is exposed, getting dicked down hard by a massive cock. There's nothing innocent when it comes to this sweet young girl!

What's you favorite sex position?

Cowgirl! Better than all of them. I love that moment where I can just take control and fuck the shit out of a guy.
Ohmigod, it's amazing.

Where's the best and worst place you've had sex?

The worse place happened in an RV with my boyfriend. It was a pretty big RV. It had a master bedroom, but his parents were in the living room and we were in the bedroom and it was super risky and very scandalous. I was nervous the whole time to be honest. I mean it would be different if my own parents caught me because you know your parents love you very much. But if my boyfriend's parents caught me, ohmigod I'd be dead. [Laughs]

What was the best tasting cum experience in your life?

I've had many different kinds of cum as you can probably guess. The best tasting one, I would describe it as kind of sweet but with a bit of tanginess. The guy was probably eating fruit. I don't know. It was pretty good.

What was your first experience with a cock?

I have to really think about this because the first time I went out to the movies with a guy on my own without my parents there, we were making out hardcore, and I can't really remember if I gave him a handjob over his pants or not. But I know he was getting to second base and on me. I really can't remember. I probably did but I don't know.

How many times have you had sex in a moving vehicle?

I've had sex in a car a lot but it was parked so never in a moving vehicle, technically. [Laughs] That's actually my favorite place to have sex, in a car. I love it. It's exciting.

Do you spit or swallow?

I'm kind of a tossup. I swallow a lot because guys love it and I like making guys feels good. Occasionally I'll spit. Like it's not that big of a deal. Who always swallows? That's crazy. And I'm trying to be honest. I could've lied and said I always swallow, so just be happy I'm being honest.

What's the biggest annoyance in the adult industry?

All the assumptions that get made about you. I'm starting not to care what people think about me. It just bothers me when people just assume random shit that's totally untrue, and it's not like you at all. Whatever. I'm learning not to care.

What was your first anal experience?

I don't know if it qualifies as anal experience because I don't really do anal. I was dating the only boyfriend I ever had for almost two years and couples that go out that long, they try everything. So of course we tried it but it didn't really work out because I guess I wasn't really relaxed enough. We tried but I guess it didn't go inside and penetrate.

How did you lose your virginity?

I was in my boyfriend's room. I told him I was ready, we had been going out for a month. I didn't even wait that fucking long. I must've been really horny. He put the condom on and we did it. It wasn't going in. We didn't know what lube was. He had to work it in; then I got wet and it worked out. It took about two minutes, but it all worked out!

How did you get into porn?

I was on a model site doing trade shoots. I wasn't getting paid, the photographer wasn't getting paid. We got together to take pictures and expand our portfolio. I got a message from there from my old agent—I'm not mentioning any names because I'm not a shit talker. He just asked me if I wanted to make $25,000 a month doing nude modeling, which is total bullshit. Of course I fell for it and I was naïve and I didn't know any better. So I said yeah and he set me up with a nude shoot but I didn't get paid. I thought, "OK, how is that working out for me?" Then he said he'll sign me up for a BJ scene for money. I was like, "Why can't you get me modeling for money?" He just said it wasn't happening. So I said "OK, whatever. I'll do it." It was cool. It was with Amateur Allure and I loved it. They were fucking cool. We bonded over Star Wars because I love Star Wars. And that's how I wound up here.

What do you want to say to the *Purely 18* readers?

I love talking to you guys on Twitter @Mollybennettxxx. I love you guys so much. Make sure you keep watching my videos and I will be sure to update you guys on all of my stuff coming up. I'm shooting a lot so be prepared to see a lot of me.

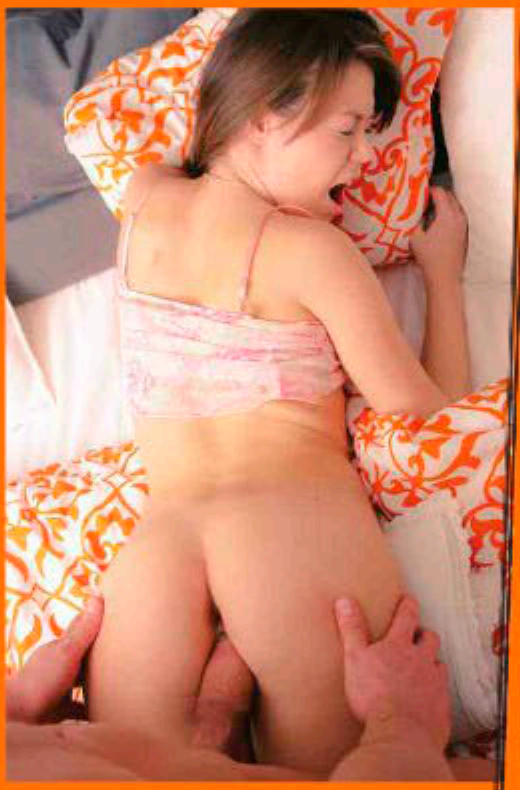
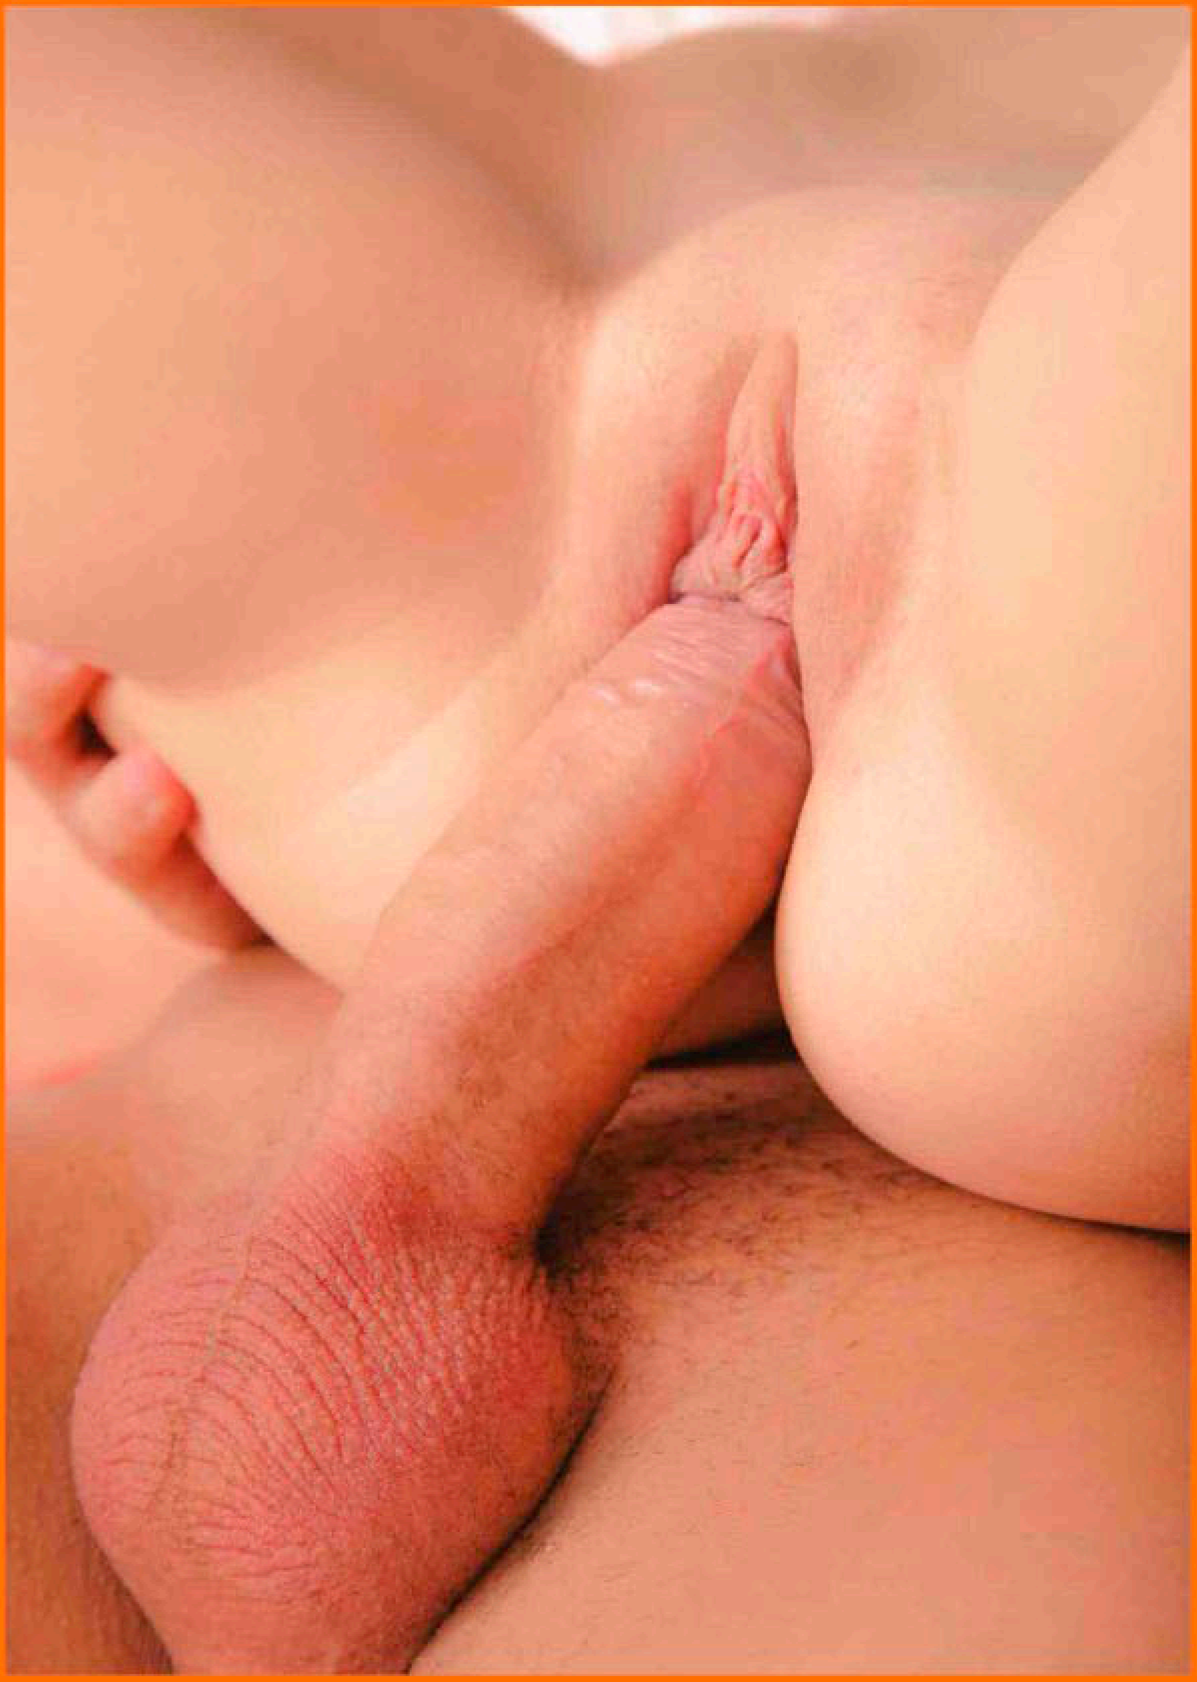
SOLEFUL X-PERIENCE!

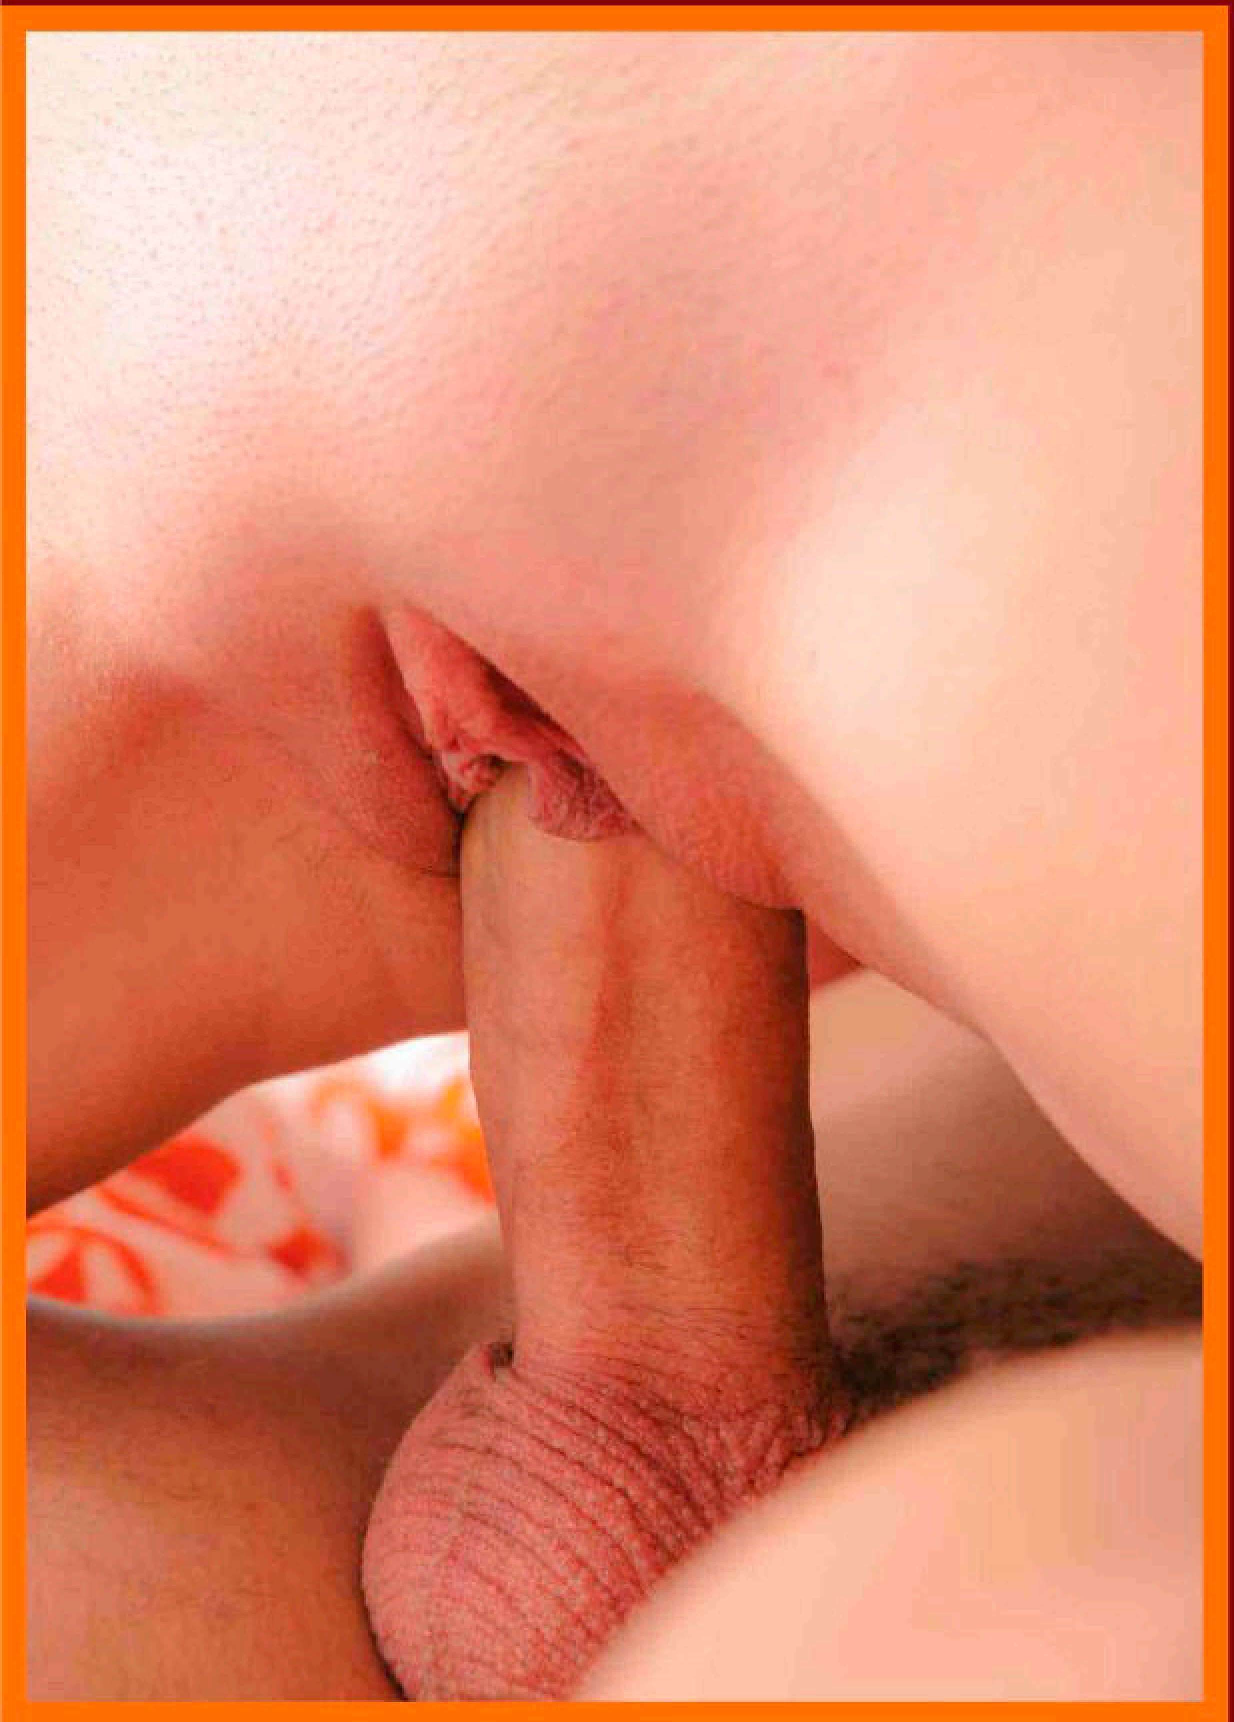


"I had promised my 'tents that I would wait until I turned 18 to have sex. I did, and now I can't stop! That's because my boyfriend, Carl, is a real hunk. He's somewhat older, but so sweet. And he's great in bed. I started researching stuff about sex and the one thing that intrigued me was oral sex. So from the first, I asked Carl if he'd go down on me.

"Wow! What a feeling! When Carl eats my pussy, I see stars. I like getting licked more than I like getting fucked even! And Carl licks a mean coochie! I love when he sucks my clitty inside his mouth. I cum like mad and then I return the favor. We have great sex. Let's just say it was well worth the wait!"



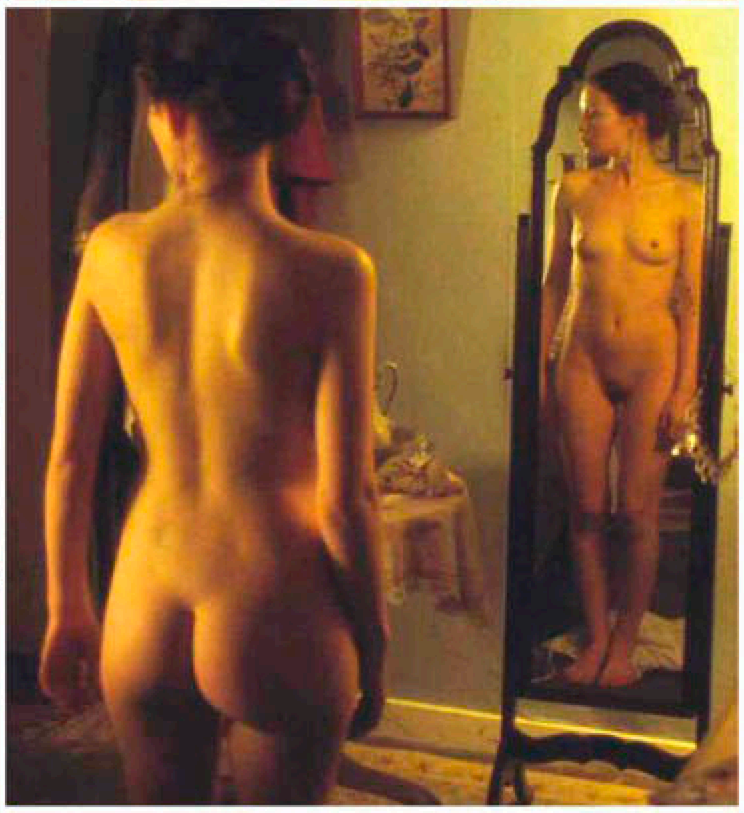
ANGEL



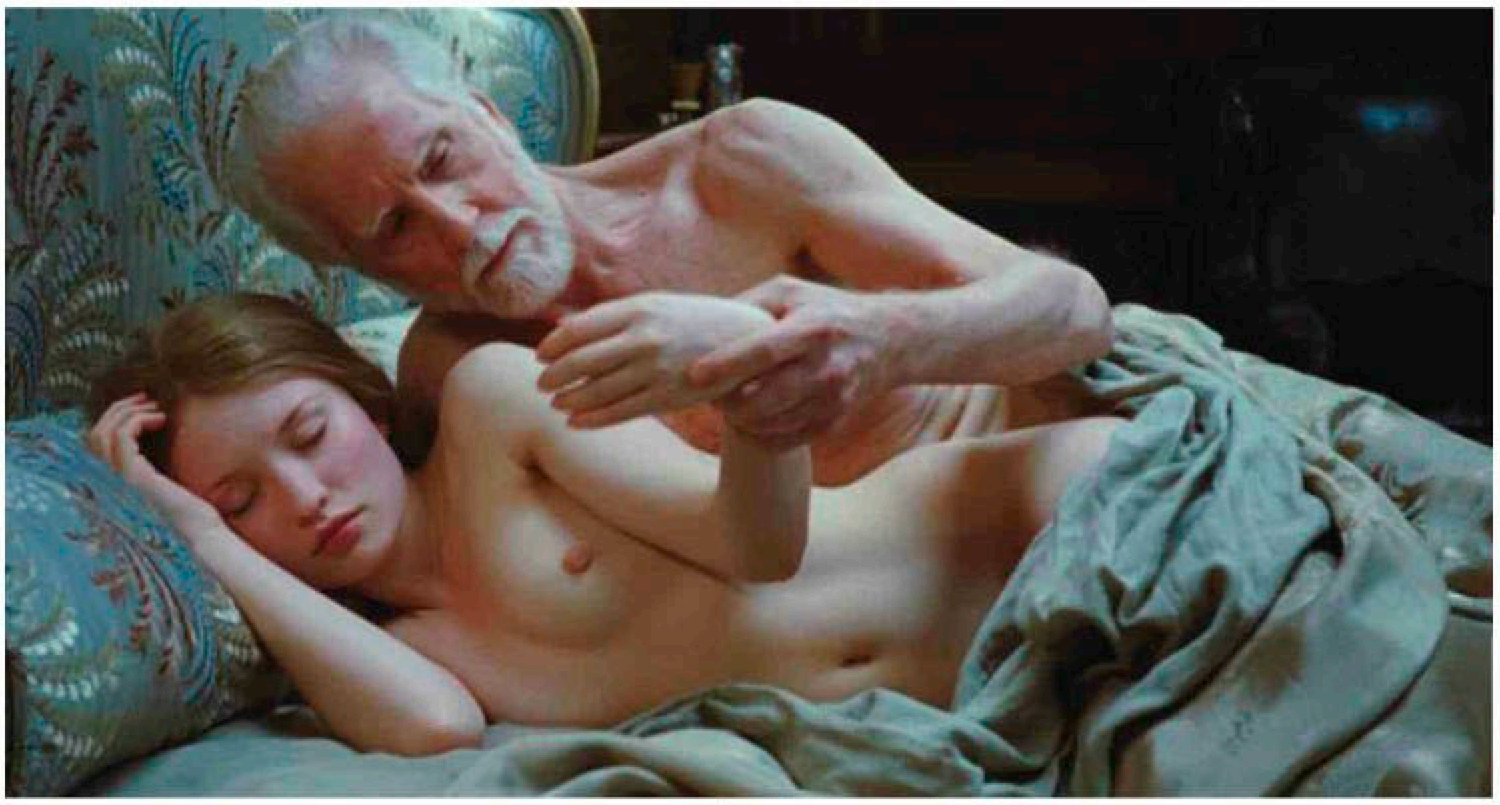
HOLLYWOOD Hotties

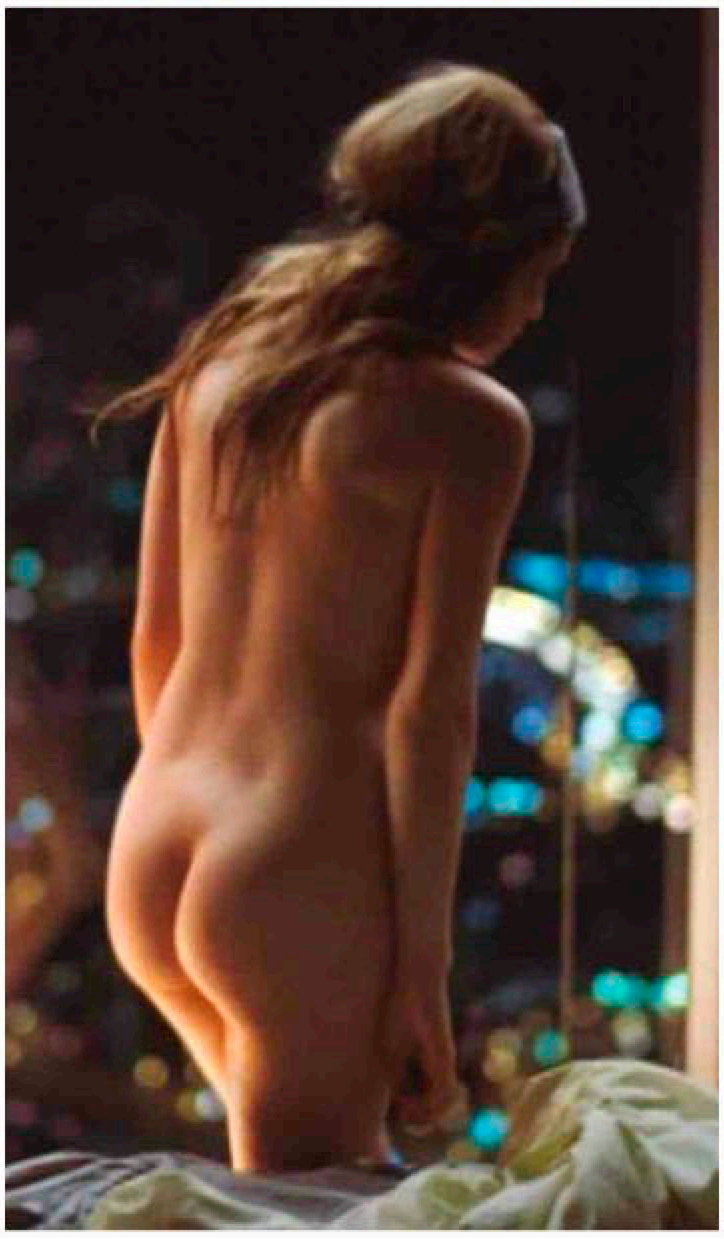
The allure of Tinsel Town has the uncanny ability to convince the hottest young girls on the planet to strip for the camera! Okay, so some may be older than 18, but they sure as hell are naked and nubile...and famous! Which just makes the pics that much sweeter!

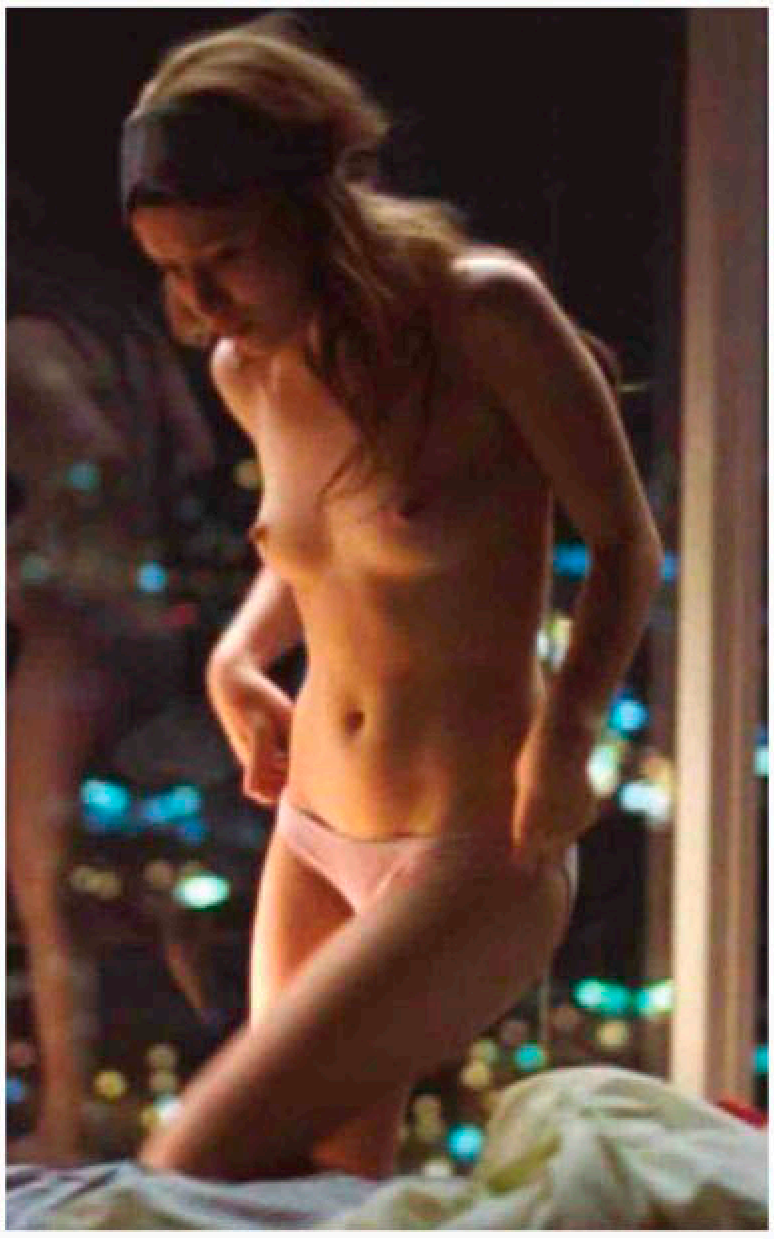
EMILY BROWNING

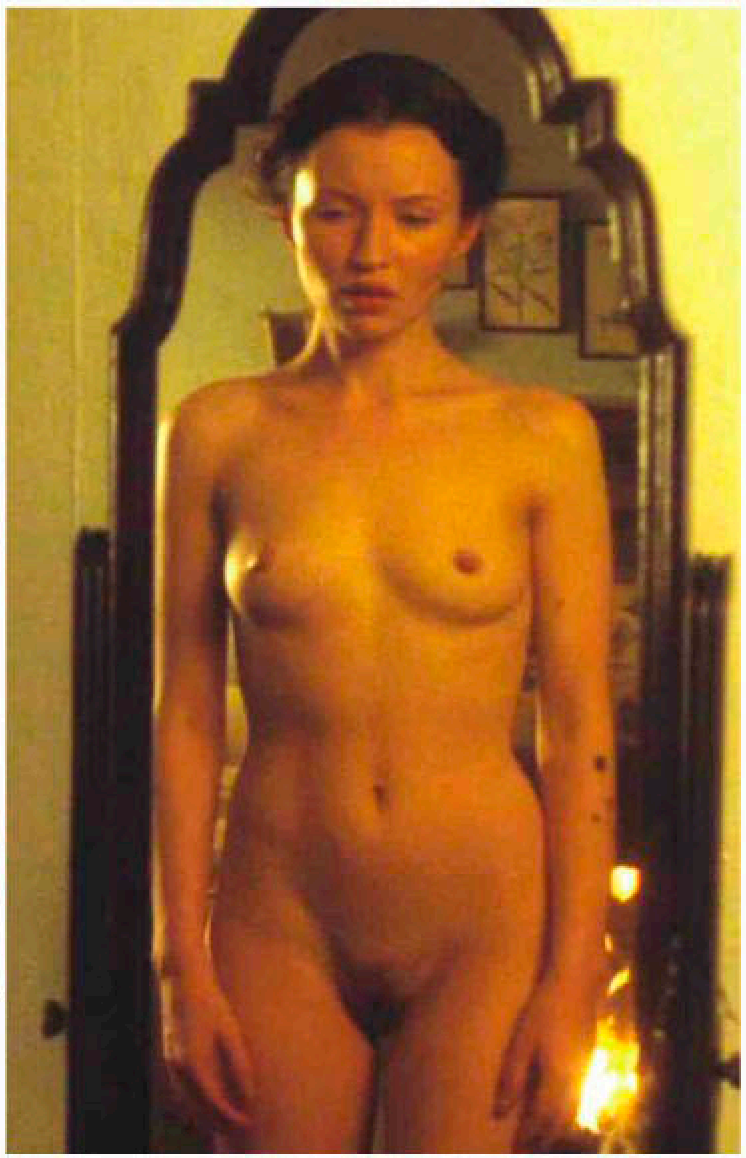


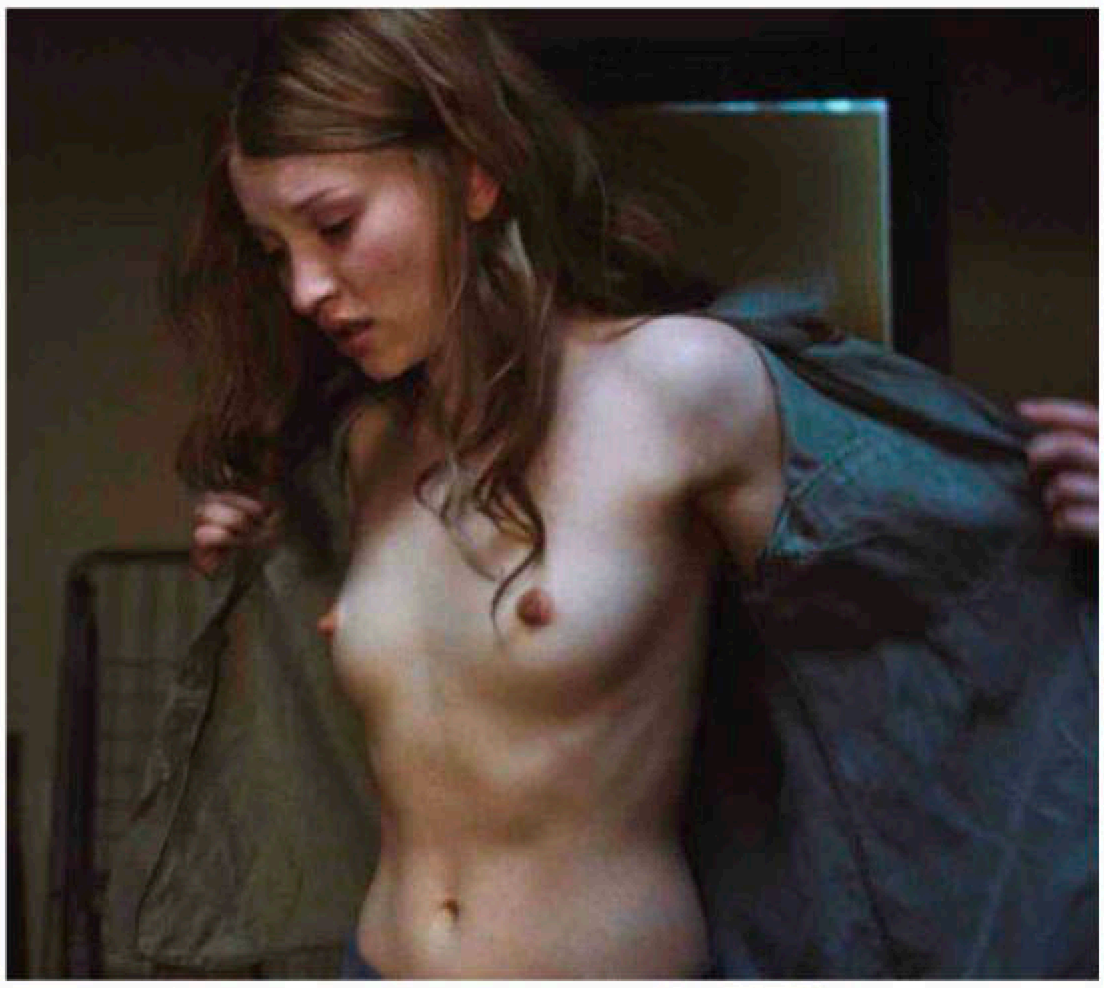
Evocative Emily, a former child actress who successfully made the leap to grown-up roles in feature films, burst open her adult career in not one but two frisky flicks released in 2011: the comicbook-styled adventure Sucker Punch and the erotic arthouse flick Sleeping Beauty. Her latest entry in the SKIN pantheon, is the 2013 romantic drama Summer in February.

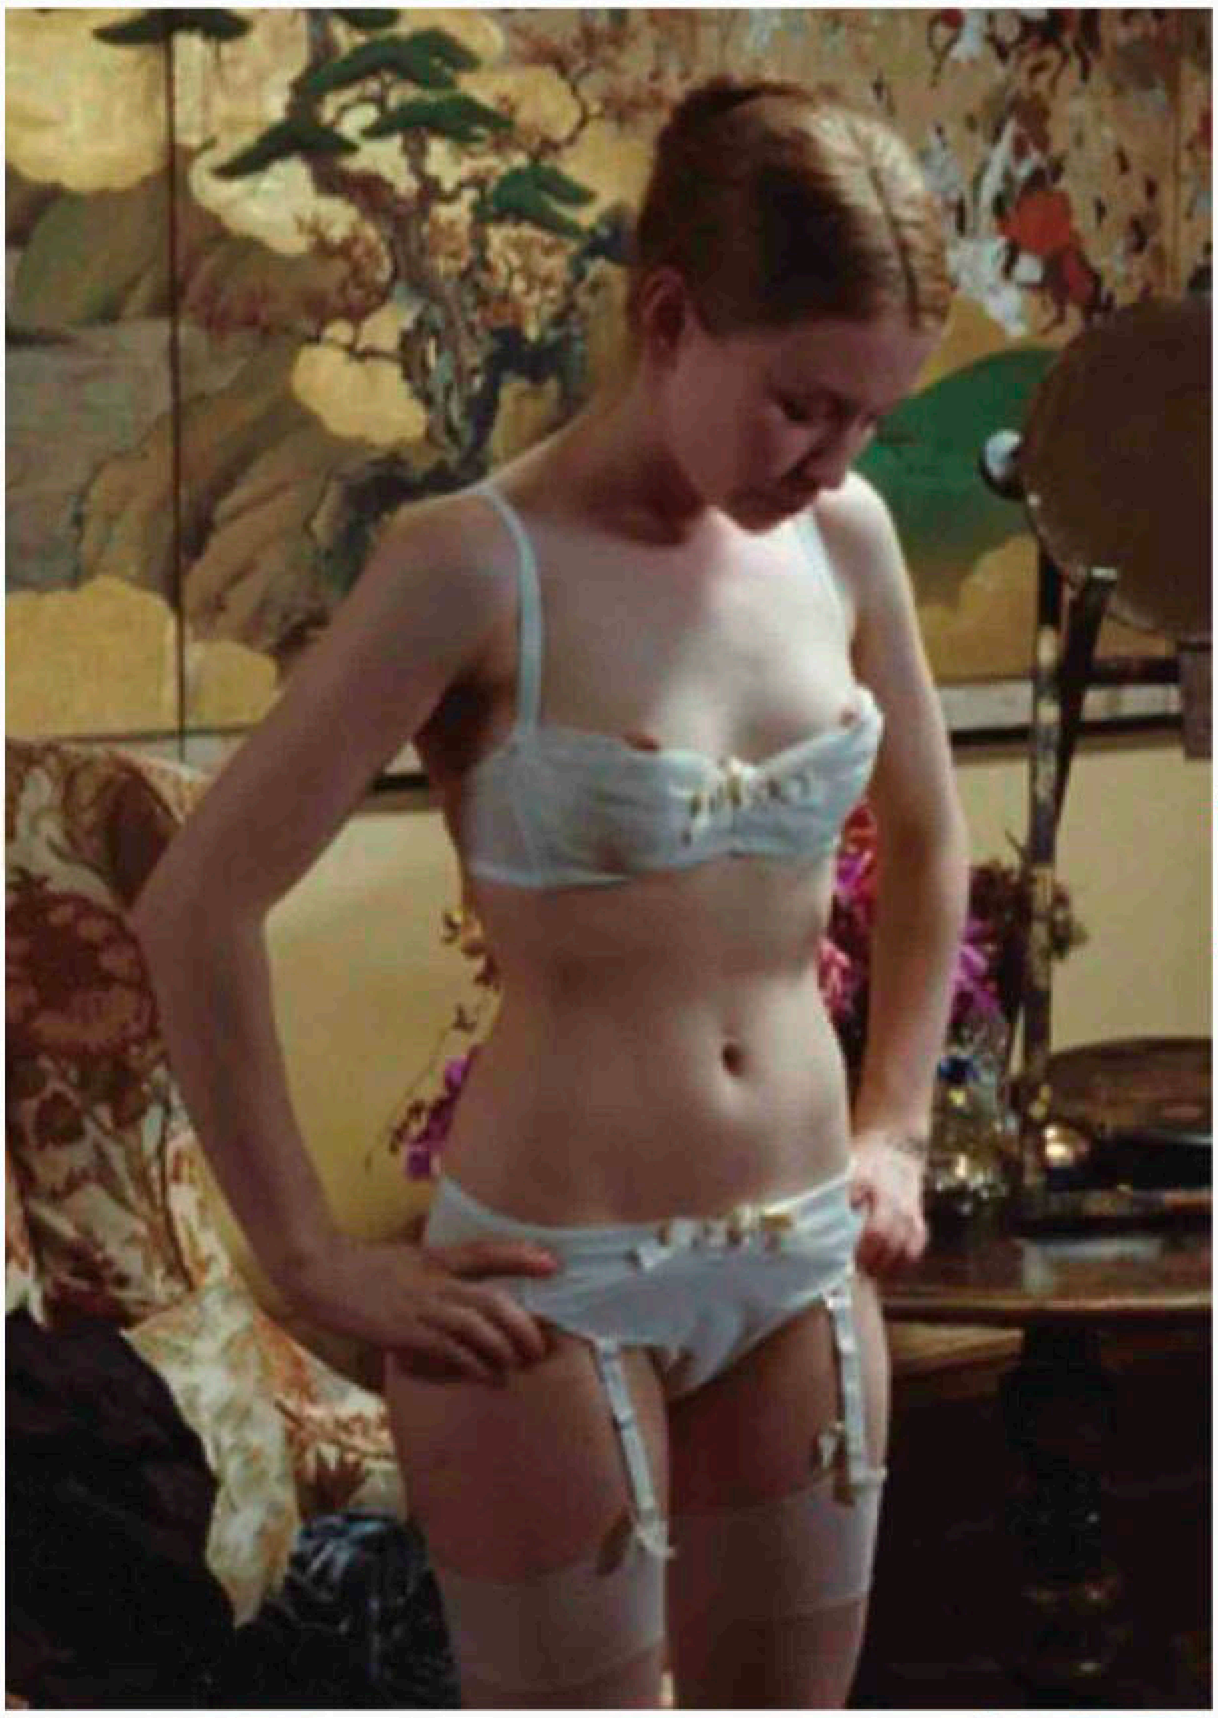


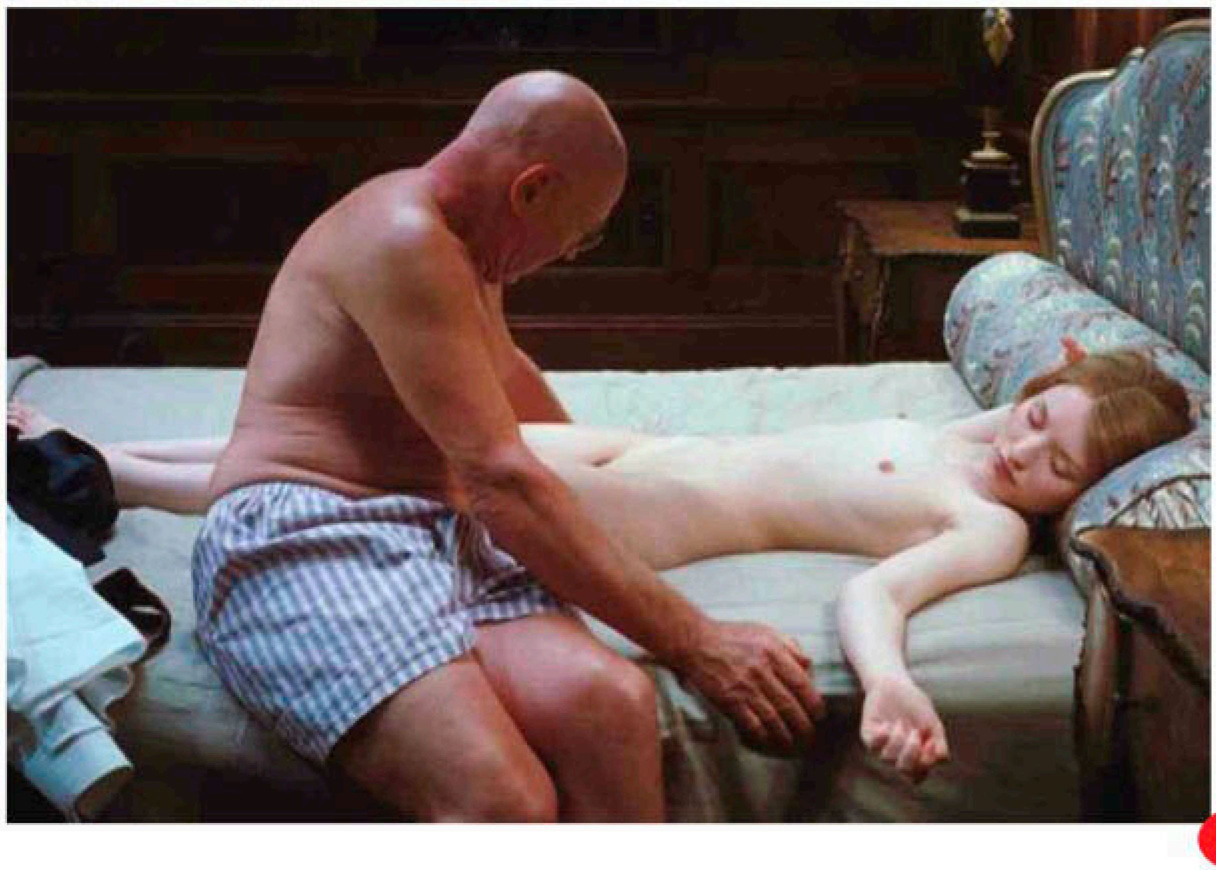






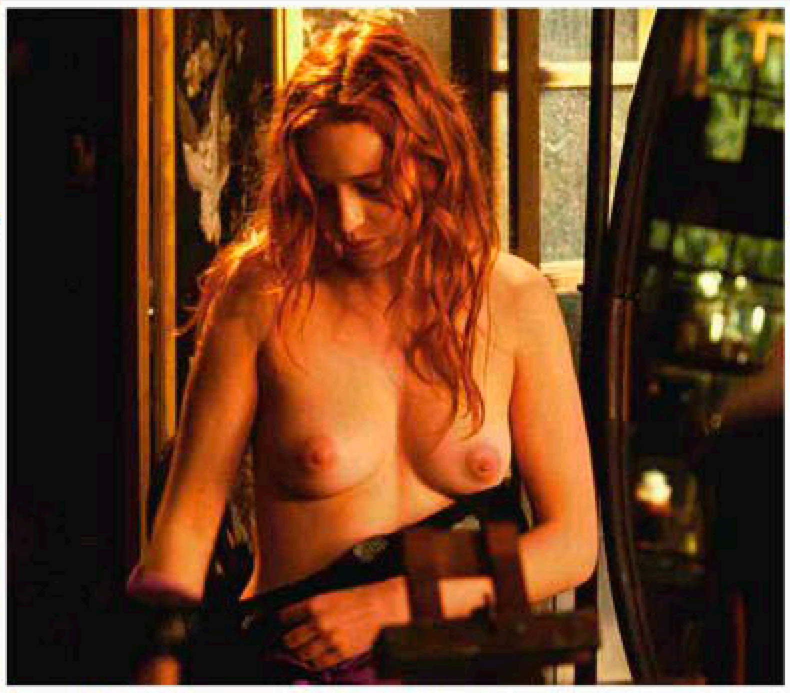


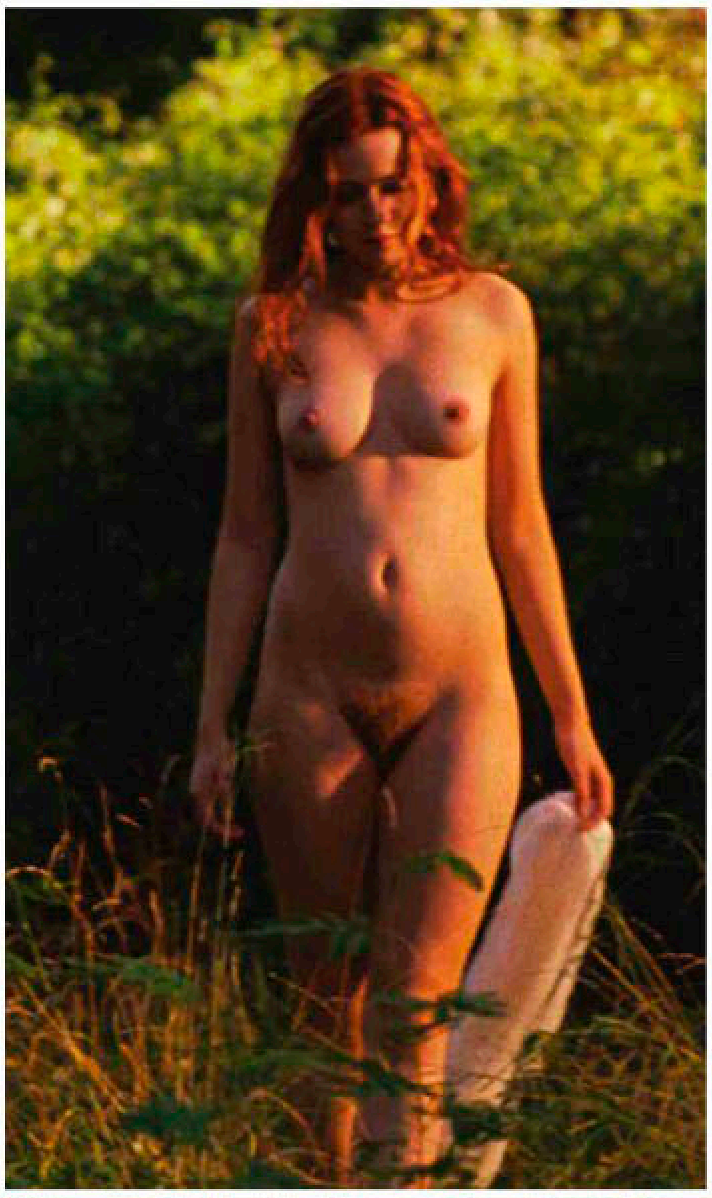


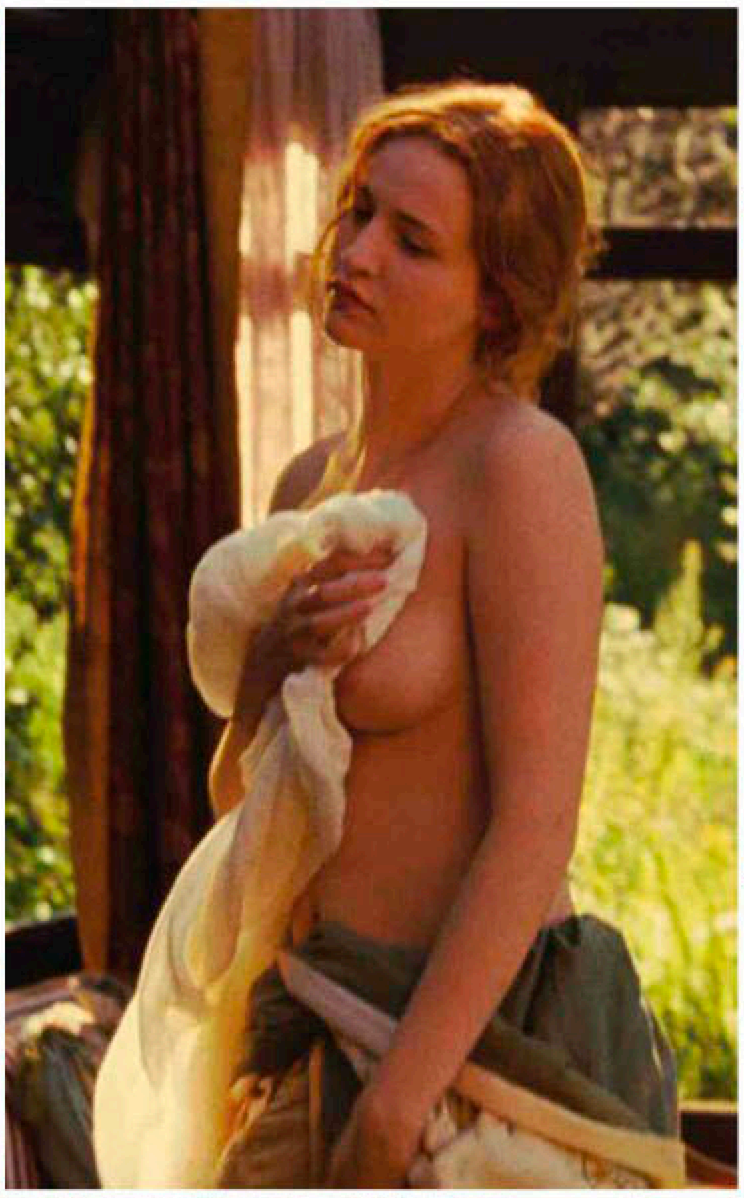


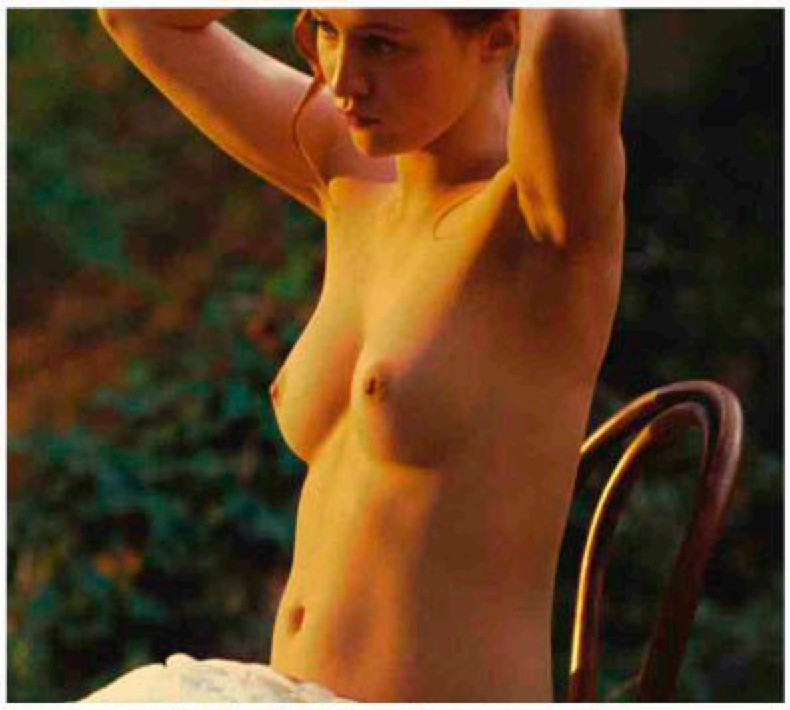
CHRISTA THERET & SOLENE RIGOT

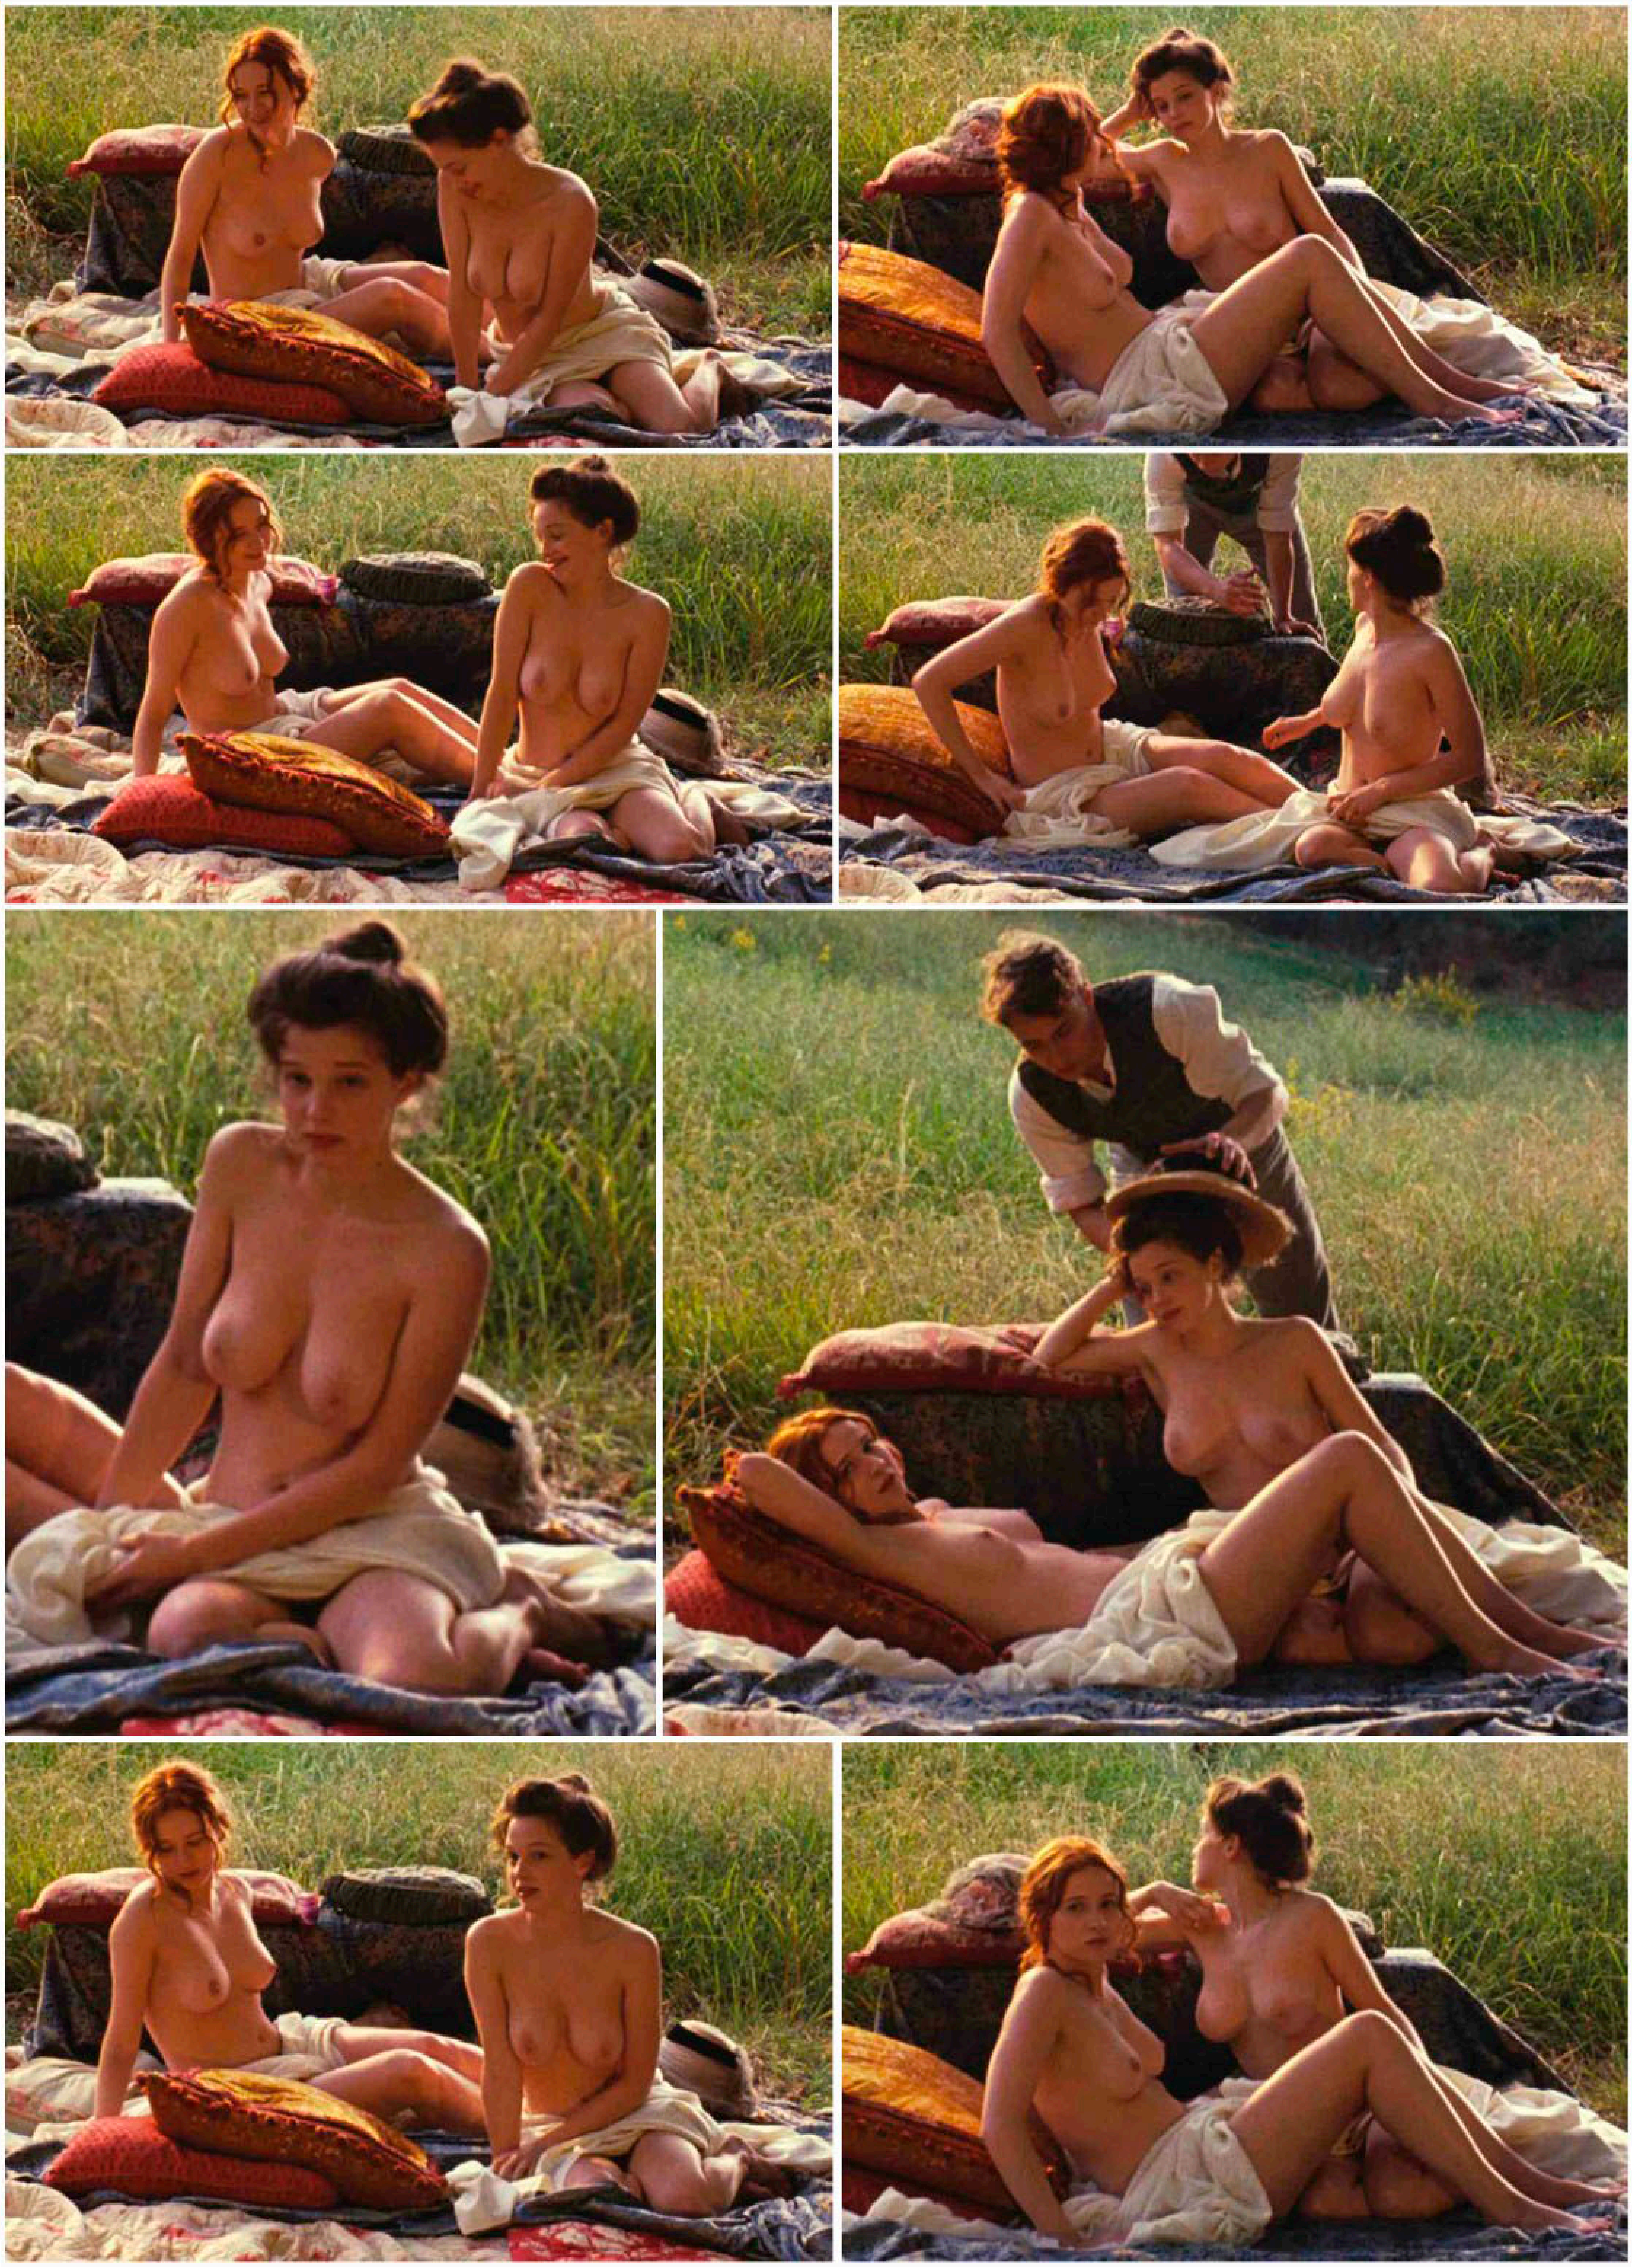
Set in the year 1915, the 2013 French biographical drama Renoir finds the famous Impressionist artist Auguste Renoir mourning the death of his wife. What better way to get over it than with the naughty, nubile and naked presence of two young sexy starlets Christa and Solene!











SHARON HINNENDAEL & CHELSEY REIST

In the 2013 remake of the 1995 erotic horror favorite Embrace of the Vampire starring Alyssa Milano, sultry Sharon Hinnendael gives in to the vampiric and Sapphic pleasures of the flesh offered by equally enthusiastic would-be blood-sucker Chelsey Reist!

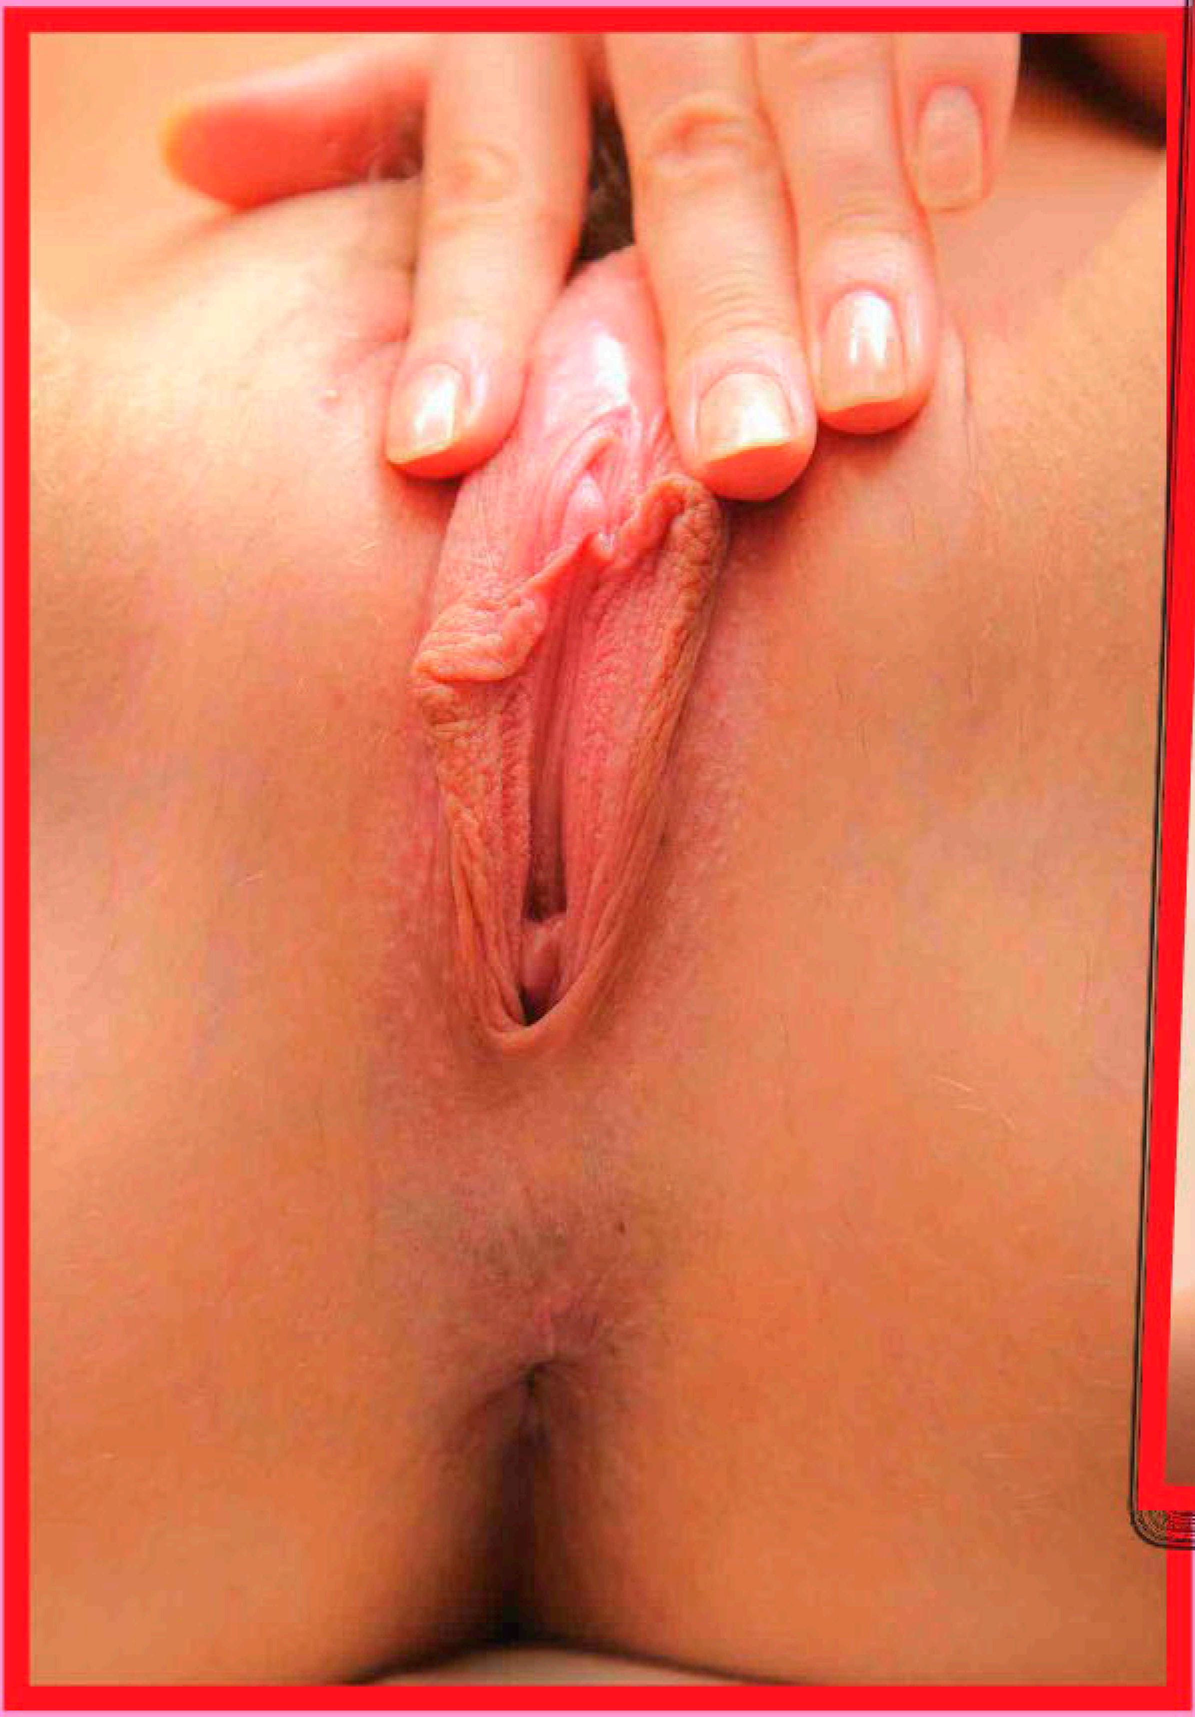
Doreen

DOUBLE DUTY



Yeah, I know what you're going to say. I've heard it a million times before. Yes, I'm 18. I can't tell you how annoying it is not to be taken seriously because people think I'm younger than I am. They say act your age, so I decided to do just that.

That's why I've become a sex machine. I literally come on to every attractive man—and some women—I see. Hell, I fuck at least twice a day—always different cocks and pussies. Not to worry; on the rare occasions I'm alone, I make due. I went out and bought a whole slew of sex toys. (Yes, I had to show double ID to prove I was old enough to buy them.) And I make good use of them.

I love sucking on one dildo, while inserting another one into my sopping-wet cooch and tight little asshole. I cum like a fountain. That only makes me even hornier to be on the prowl again. So the next time you think I don't look my age, just check under the hood. You'll find the odometer climbing!

Joanne & Eve

Sappho Sisters

Joanne is my dormmate and we get along okay, though we're not what you'd call super-close. But last night we did become a little closer. She didn't expect me back from class so early and I walked in on her trying out her new glass dildo. I don't know who was more shocked. Me, to see her lying in bed, writhing, gliding that big slick, wet dildo up her pussy, or Eve, to see me watching. When she said, "Sorry, I'm too hot now to stop," and her glistening pussy seemed to beckon, I shrugged and did what comes naturally—I helped Eve along.

I pulled out MY glass dildo and shoved it in her mouth while I licked her sweet cunny. I got naked so that we could really start to have some fun. We ditched the dildos and decided that tongues can do an even better job. We lapped away and Betty and I gave each other even more intense orgasms! You know, I think that we're going to be a lot closer from now on!
